NOTE

The Editor hereby affirms that copies of each of the six numbers of Volume 1 were mailed, on or before the imprinted dates of publication, to the chief zoological, ichthyological or natural history museum libraries of San Francisco, Berkeley, Seattle, Chicago, Ann Arbor, Cambridge, New Haven, New York, Philadelphia, Washington, Rio de Janeiro, La Plata, London, Paris, Berlin, Copenhagen, Stockholm, Leningrad, Cape Town, Calcutta, Canton, Sydney and Honolulu, and to the editors of "Science" and "Nature." At the same time copies were placed on public sale at the Natural History Museum. The remainder of the copies distributed directly by the Museum were mailed upon or within a few days of the publication dates. Copies distributed through the Stanford University Library were frequently delayed for a short time.
